AT THE GOVERNMENT HOUSE AT OTTAWA,
Thursday, the 11th day of July, 1895.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

WHEREAS all the lands within the Railway Belt in the Province of British Columbia are open for Homestead entry, with the exception of the agricultural lands in the New Westminster Land District, which are held for sale at the rate of five dollars per acre.

His Excellency, under the provisions of chapter 56 of the Revised Statutes, intituled: "An Act respecting certain public lands in British Columbia," and by and with the advice of the Queen's Privy Council for Canada, is pleased to order that, in view of the great cost of clearing and preparing for crop the heavily timbered lands in the Fraser Valley and the depreciation in the price of farming lands elsewhere, the provisions of the regulations at present in force in regard to homesteading throughout the remainder of the railway belt, shall be and the same are hereby made to apply to the New Westminster Land District also:—

Sec. 13. Any person, male or female, who is the sole head of a family, or any male who has attained the age of eighteen years, who has not heretofore had a homestead on Dominion lands in British Columbia, Manitoba or the North-West Territories, or does not hold or own by pre-emption record or otherwise, under the laws of the Province of British Columbia, more than one hundred and sixty acres of land within the railway belt in the said Province, shall, on making application in the Form A in the Schedule to these regulations, be entitled to obtain homestead entry for any quantity of land not exceeding one quarter-section, and being of the class of land open under the provisions of these regulations to homestead entry:

(a.) The entry for a homestead shall entitle the recipient to take, occupy and cultivate the land entered for, and hold possession of the same to the exclusion of any other person or persons whomsoever, and to bring and maintain actions for trespass committed on the said land, the same as if a patent therefor had issued in his favour; the title to the land shall remain in the Crown until the issue of the patent therefor, and the said land shall not be liable to be taken in execution before the issue of the patent;

(b.) The privilege of homestead entry shall only apply to surveyed agricultural lands; no person shall be entitled to such entry for land valuable for its timber, or for hay land, or for land on which there is a stone or marble quarry, or coal or other mineral having commercial value, or whereon there is any water power which may serve to drive machinery, or for land which, by reason of its position, such as being the shore of an important harbour, bridge site or canal site, or being either an actual or prospective railway terminus or station, it will be in the public interest to withhold from such entry.

Homestead Entries and Sales affecting Timbered Lands.

Sec. 14. All merchantable timber growing or being upon any land entered or sold within the limits of Dominion lands in British Columbia, and all gold, sil-

ver, copper, lead, iron, petroleum, coal or other mines or minerals shall be considered as reserved from the said land, and shall be the property of Her Majesty; except that the homesteader or purchaser, or those claiming under him, may cut and use such merchantable timber as may be necessary for the purpose of building, fencing or road-making, on the land so entered or sold, and may also, under the authority of the Crown Timber Agent, cut and dispose of all timber required to be removed in the actual clearing of the said land for cultivation; but no merchantable timber (except for the necessary building, fencing or road-making as aforesaid) shall be cut beyond the limit of such actual clearing; and all merchantable timber cut in the process of clearing, and disposed of, shall be subject to the payment of the same dues as are at the time payable by the holders of licenses to cut timber.

Sec. 15. The patents for all lands, hereafter entered or sold as aforesaid, shall contain a reservation of all merchantable timber growing or being on the said lands, which merchantable timber shall continue to be the property of Her Majesty; and any person or persons now or hereafter holding a license to cut timber on such land may, at all times during the continuance of such license, enter upon the uncleared portion of such lands, and cut and remove such timber, and make all necessary roads or water-ways for that purpose, and for the purpose of hauling in supplies, doing no unnecessary damage thereby; but the patentees or those claiming under them may cut and use such timber as may be necessary for the purpose of building, fencing or road-making on the lands so patented, and may also, under the authority of the Crown Timber Agent, cut and dispose of such timber required to be removed in actually clearing the said land for cultivation, but no merchantable timber (except for the necessary building, fencing or road-making as aforesaid) shall be cut beyond the limit of such actual clearing; and all merchantable timber so cut and disposed of shall be subject to the payment of the same dues as are at the time payable by the holders of licenses to cut timber.

Sec. 16. Holders of timber licenses, their servants and agents, shall have the right to haul their timber over the uncleared portion of any land entered as a homestead or purchased as hereinbefore provided, and to make such roads or water-ways thereon as may be necessary for that purpose, doing no unnecessary damage, and to use all slides, portages, roads, water-ways, or other works previously constructed or existing on any land so entered, sold or leased, and the right of access to, and free use of all streams and lakes heretofore used, or that may be necessary for the passage of timber; and all land necessary for such work is hereby reserved.

Sec. 17. All merchantable timber growing or being upon any land hereafter entered as a homestead or sold under these regulations shall be subject to any timber license in force at the time of such entry or sale, and may, at any time during the currency of any such license, or of any license which may be subsequently issued, be cut and removed under the authority thereof.

Sec. 18. Whenever the survey of any township has been finally confirmed and such township opened for homestead entry, any person who has *bona fide* settled and made improvements before such confirmed survey on land in such township, shall have a prior right to obtain homestead entry for the land so settled on, provided such right be exercised within three months after the land is opened for settlement; and provided that such land has not been reserved or the right to homestead entry is not excepted under the provisions of these regulations; no homestead entry shall be granted to any other person in respect of such land until three months after notice in writing shall have been given by the local agent to such *bona fide* settler that such land is open for settlement.

Sec. 19. Every person applying for homestead entry shall appear and make affidavit before the local agent or, in his absence, the senior clerk performing his duties, according to the Form B, C or D in the Schedule to these regulations, as the circumstances require; and upon filing such affidavit with the said local agent or senior clerk, and on payment to him of an office fee of ten dollars, such person shall receive a receipt from the said local agent or senior clerk according to the Form J in the Schedule to these regulations; and such receipt shall be a certificate of entry, and shall be authority to the person obtaining it to take possession of the land described in it:

(a.) The Minister of the Interior or the Dominion Lands Board, upon requisition, may authorize any

per or named therein to make a homestead entry on behalf of any person signing such requisition and desiring to obtain such entry:

(b.) The person so authorized shall, in order to obtain such entry, may application in the Form E in the Schedule to these regulations, on behalf of each of those whom he represents, and shall make an affidavit before the local agent, or, in his absence, the senior clerk performing his duties, according to Form F, G or H, in the Schedule to the regulations, as the circumstances of the case require, and shall pay for each homestead entry the office fee of ten dollars hereinbefore prescribed for such entry, and shall receive for each fee so paid a receipt in the Form J in the Schedule hereto:

(c.) Persons occupying land owned by them may obtain homestead entry for any contiguous land open to the same; but the whole extent of land, including that previously owned and occupied, must not exceed one quarter-section:

(d.) A person applying for such entry for contiguous land must, when making the affidavit prescribed for homestead entry, also describe therein the tract he owns and lives upon; and his residence upon and cultivation of the whole shall thereafter be of the kind and for the term required by the provisions of these regulations in the case of ordinary homestead entry before he shall be entitled to patent for the part so entered for: Provided that such residence and cultivation may be upon either the land originally occupied by him or that for which homestead entry has been obtained, or both.

Sec. 20. In case a dispute arises between persons claiming the right to homestead entry for the same land the local agent or senior clerk, or any person thereto authorized by the Minister of the Interior, shall make investigation and obtain evidence respecting the facts, and his report thereon, together with the evidence taken, shall be referred to the Minister of the Interior for decision, or to the Dominion Lands Board, Commissioner of Dominion Lands, or such person as may be appointed by the Governor in Council to consider and decide in cases of such disputes:

(a.) Provided that when two or more persons have settled upon and seek to obtain homestead entry for the same land, the one who settled first thereon and has continued to reside upon and cultivate the land for which homestead entry is sought shall be entitled to such entry if the land be of the class open to homestead entry, and if it be not, in the opinion of the Minister of the Interior, otherwise inexpedient in the public interest to entertain any application therefor:

(b.) Provided further, that where contending parties have valuable improvements on the lands in dispute the Minister of the Interior, if the application to acquire the land by homestead entry is entertained by him, may order a division thereof in such a manner as shall preserve to each of them, as far as practicable, his improvements; and the Minister may, at his discretion, direct that what the land so allotted to each of them may be deficient of a quarter-section shall be made up from unoccupied land adjoining, if there be any such of the class open to homestead entry.

Sec. 21. Any person who has obtained a homestead entry shall be allowed a period of six months from its date within which to perfect the entry, by taking in his own person possession of the land and beginning continuous residence thereon and cultivation thereof; and if the entry be not perfected within that period it shall be void, and the land shall be open to entry by another person, or to other disposition under these regulations by the Minister of the Interior:

Provided further, that in the case of immigrants from elsewhere than the North American continent, the Governor in Council may extend the time for the perfecting of entry to twelve months from the date thereof.

Sec. 22. (a.) At the expiration of three years from the date of his perfecting his homestead entry, the settler, or in case of his death, his legal representatives, upon proving to the satisfaction of the local agent that he, or they, or some of them, have resided upon and cultivated the land during the said term of three years, shall be entitled to a patent for the land; provided such proof is accepted by the Commissioner of Dominion Lands, or in his absence by a member of the Land Board, and on payment of one dollar per acre for the land; provided also, that the patent therefor shall not issue to any person not then a subject of Her Majesty by birth or naturalization:

(b.) Provided, that in case of a settler who may have obtained homestead entry for land occupied by

him previous to his entry thereto, in manner hereinbefore mentioned, residence upon and cultivation of the land for three years next preceding the application for patent shall, for the purpose of the issue of patent, be held to be equivalent to that prescribed in the foregoing sub-clause of this section, if such residence and cultivation be otherwise in conformity with the provisions of these regulations.

See. 23. Any person proving that he has resided on the land for which he has homestead entry for twelve months from the date of his perfecting his entry thereto, and that he has brought under cultivation at least thirty acres thereof, may, before the expiration of three years defined in sub-section (b) of section 22, obtain a patent by paying two dollars and fifty cents per acre for the land.

See. 24. Any person claiming a patent under a homestead entry shall also be entitled thereto upon making payment therefor at the rate of one dollar per acre and proving to the satisfaction of the Commissioner of Dominion Lands or the Dominion Lands Board:

(a.) That he perfected his homestead entry by commencing the cultivation of the homestead within six months from the date of his homestead entry:

(b.) That within the first year after the date of his homestead entry he broke and prepared for crop not less than five acres of his homestead quarter-section; or if the land affected by his homestead entry be timber land, then in lieu of breaking and preparing for crop five acres he may substitute therefor the clearing and fencing of three acres:

(c.) That within the second year he cropped the said five acres, and broke and prepared for crop not less than ten acres in addition, making not less than fifteen acres in all; or if the land affected by his homestead entry be timber land, in lieu of cropping five acres and breaking and preparing for crop ten acres additional, he may substitute therefor cropping the three acres broken the previous year and clearing and fencing five acres in addition, making in all eight acres cleared and fenced, three of which shall also be cropped:

(d.) That he has erected a habitable house upon his homestead before the expiration of the second year after his homestead entry, and has *bona fide* resided therein and has cultivated the land for three years next prior to the date of his application for his patent:

(e.) That at the commencement of the third year after the date of his homestead entry, or previously, he commenced the residence on his homestead required by the next preceding paragraph of this section:

(f.) Proof of the residence and improvements required by this section and the two sections which immediately precede it shall be made by the claimant by affidavit, and shall be corroborated by the evidence on oath of two disinterested witnesses, resident in the vicinity of the land affected by their evidence, and accepted as sufficient by the Commissioner of Dominion Lands, or, in his absence, by a member of the Land Board; such affidavit shall be sworn, and such testimony given before the local agent, or, in his absence, the senior clerk performing his duties, or some other person named for that purpose by the Minister of the Interior.

See. 25. Every person who has obtained a homestead entry, and who proposes to apply for a patent for such homestead, shall give six months' notice in writing to the agent of Dominion lands of his intention to make such application, and shall produce evidence to the officer who is authorized to receive the application that such notice has been duly given.

Sec. 26. (a.) In case it is proved to the satisfaction of the Minister of the Interior that a settler has not resided upon and cultivated his homestead, except as herein provided, for at least six months in any one year, or has failed to cultivate and crop the said land during the first two years after obtaining entry therefor, or to erect a habitable house before the expiration of the second year after such entry, and to *bona fide* reside therein and cultivate the land for three years next prior to the date of his application for patent, or has made any false statement in the affidavit in support of his application for entry, or if he fails, within the time provided for in these regulations to apply for patent for his homestead, and to pay for the said homestead the price specified in these regulations, the right to the land shall be forfeited and the entry therefor shall be cancelled, and the settler so forfeiting his entry shall not be eligible to obtain another entry, except in special cases, in the discretion of the Minister of the Interior.

(b.) Provided, that in any case of illness, vouched for by sufficient evidence, or in the case of immigrants re-

quiring to return to their native land to bring out their families to their homesteads, or in other special cases, the Minister of the Interior may, in his discretion, grant an extension of time, during which a settler may be absent from his homestead without prejudice to his right therein; but the extension of time so granted shall not count as residence.

Sec. 27. A homestead, the entry of which has been cancelled, may, at the discretion of the Minister, be held for homestead entry by another person, on such terms and conditions as the Minister of the Interior may prescribe, or for sale of the land with the improvements, if any, or of the improvements alone in connection with homestead entry thereof, to another person.

Sec. 28. Any assignment or transfer of homestead right, or any part thereof, and any agreement to assign or transfer any homestead right, or any part thereof, after patent shall have been obtained, made, or entered into before the issue of the patent, shall be null and void; and the person so assigning or transferring, or making an agreement to assign or transfer, shall forfeit his homestead rights, and shall not be permitted to make another homestead entry: Provided that a person whose homestead may have been recommended for patent by the local agent or senior clerk, a certificate to that effect in the Form K in the Schedule to these regulations, countersigned by the Commissioner of Dominion Lands, or in his absence by any member of the Dominion Lands Board, may legally dispose of and convey, assign, or transfer his right and title therein.

(a.) For each legal subdivision included in the land entered the applicant shall, during the first year after the date of entry, clear at least four acres and plant the same in fruit trees, bushes, plants, or vines to the number prescribed in these regulations:

(e.) Provided that the clearing and planting herein provided for may be made upon any portion of the land entered for:
